The Client acknowledges that the Bank retains ownership of the devices and certificates and, on request by the Bank, the Client is obliged to return to the Bank such devices and certificates.

4.13 The Bank will use reasonable commercial endeavours to ensure that the Service is available and that its technology infrastructure is protected in order to enable it to render the Services to the Client.

**5 FEES AND CHARGES**

5.1 The Client is liable to the Bank for the fees and charges for the Services, and such fees and charges will be due and payable as set out in the fees Schedule, which fees and charges the Bank is, without prior notice, mandated and entitled to debit against any of the Client's bank accounts.

5.2 Additional or replacement devices required for the use of the Services may be purchased by the Client from the Bank at the Bank's prevailing charges for such devices.

5.3 Interest on all overdue fees and charges will be charged at a rate that is equal to the ruling South African Reserve Bank repurchase rate (Repo Rate) from time to time, x 2 + 10% (the Repo Rate times two, plus ten percent), unless otherwise agreed to in writing by the Bank.

5.4 Unless otherwise specified, all fees and expenses set out in this Agreement are exclusive of value-added tax and other statutory fees and charges. The Client must pay all value-added tax and other fees and charges that may be payable on such fees and expenses.

6.3 Where applicable and in respect of certain Services, the Client is also required to:

6.3.1 comply with the Bank's specifications for the installation and configuration of the Client's information technology systems, including specifications in the Manuals and the minimum security requirements set by the Bank from time to time;
