8 ALIGNMENT WITH NATIONAL, PROVINCIAL AND LOCAL POLICIES, PROGRAMMES AND PROJECTS

8.1 INTRODUCTION

In this section, we identify each of the IDP strategies and deliverables, what is the existing alignment including identifying the joint projects that we are doing with both local municipalities as well as other spheres of government. These tables demonstrate the extent of IGR co-operation that exists.

Engagements were conducted between all spheres of government, including provincial and national government through IGR forum meetings to establish and ensure alignment on our projects. This was done to ensure that our efforts towards a sustainable and integrated service delivery are achieved. Below is a table illustrating the alignment of our sectors of service delivery with the rest of the government programmes.
