

CHAPTER 08: INTEGRATED PLANS

BACKGROUND:

This Chapter encompasses the core plans of Integrated Development Plan as determined by Section 26 of the Local Government: Municipal Systems Act and Regulations 32 of 2000.

The Sedibeng District Municipality is aware of the potential impact of disasters and other related risks on its service delivery mandate and how they continue to threaten the day to day lives of its communities. Several extensive disaster risk management and mitigation measures are therefore executed for both strategic and operational risks in order to prevent and minimize the impact of such situations and in compliance with the Disaster Management Act. The life span of the 5 year Integrated Transport Plan ended in 2013, but was maintained in use as the District is planning to transform it after Local Government Election 2016. An ITP review process shall be undertaken by the newly established administration of the new District municipality.

The following plans are therefore attached as Annexures:

1. Sedibeng District Municipality Disaster Management Plan
2. Sedibeng District Municipality ITP 2008-13
3. Community Safety Strategy 2013 – 2017
4. District Aids Strategic Plan 2012-16
